PASTORS, Would You Like to Be More Effective AND Save Many Hours of Time in COUNSELING?

A Pastor shared this testimony: "A married couple came who were having problems. I gave them the 'fill-in-the-blank sheets' from the Pastor's packet on your website. After each person filled them out I talked to them individually until I fully understood the extent of the problem. Then I gave him a DVD to watch, '*Christ, the Husband's Example*' (pg 10); gave her the DVD '*How to Treat a Wounded Spirit*' (pg 9); and gave them the DVD of '*Oneness - God's Goal for Your Marriage*' (pg 8) to watch together.

I explained to them that when they came back we would discuss what they had learned from the DVDs and how they had applied those truths.

Our first appointment was two hours. Subsequent ones were thirty minutes.

On our second appointment they came in smiling and said, 'We learned a lot from the videos!' After the wife had watched the DVD about a '*Wounded Spirit*' she asked her husband to watch it with her. She said, 'We talked about it for 45 minutes after we watched it.'

Before our next session I asked him to watch '*How Right Priorities Prevent or Solve Life's Biggest Problems*' (pg 10); gave her '*How a Wife Can Use Reverence to Build or Save Her Marriage*' (pg 11); and had them both watch '*Keys to Unlock Doors of Communication*' (pg 8). She said, 'We talked about the '*Communication*' DVD for a long time afterward.'

Before our next session I asked them to watch '*How to Rebuild Broken Trust*' (pg 7); '*Dig Another Well*' (pg 7); and '*Expectations, Enemy of Relationships*' (pg 8)" ETC.

THE SAME APPROACH CAN BE TAKEN WITH PRE-MARITAL COUNSELING.

Should I Get CDs or DVDs?

CDs (and Audio MP3s) give information.

DVDs make an impact!

Dr. Davis was speaking at a convention when a lady asked him why she needed the videos. He replied, "The difference in the DVDs and the CDs is the same difference as sitting in the auditorium watching me speak and seeing the graphics on the screen or standing out in the hallway listening but not seeing."

The DVDs better help you to recognize a problem and make a stronger impact on you personally as you both visualize and hear these powerful, life-transforming truths.

Title 1 of 10 in the Anger Series

ANGER THE DESTROYER

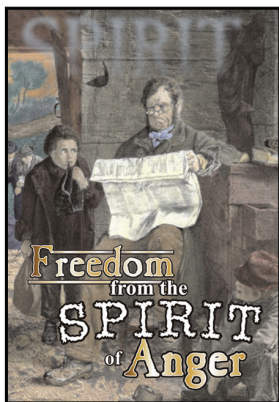

Anger in one or both parents in a Christian home is probably the #1 cause of problems with children and teens in those homes. Anger also destroys the oneness between a husband and wife. Anger is not caused by an outside source, but from what is happening on the inside—usually from pride or the tension of unresolved guilt. In this message, Dr. Davis gives seven key thoughts on how to stop *Anger the Destroyer*.
Running time: 59 min.

Title 2 of 10 in the Anger Series

WHAT PRIDE DOES

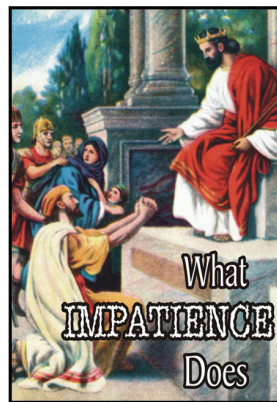

The three big sins of men are anger, lust and pride. Pride is perhaps the most difficult one of those sins to conquer. Pride is a root sin producing other sins. Many men have seen their homes destroyed because they were too proud to seek help. Few sins bring the level of destruction that pride brings, because pride steals glory that is due only to God. Wise men want to understand *What Pride Does* and seek the blessings that come from humility.
Running time: 66 min.

Title 3 of 10 in the Anger Series

FREEDOM FROM THE SPIRIT OF ANGER

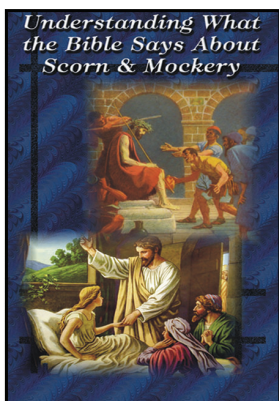

People with a spirit of anger seldom realize they have it. Rebellion in youth rarely goes away until parents deal, not just with their anger, but with their *spirit* of anger. A father or preacher who is blind to his own angry spirit may easily infect his followers with that same spirit. *Freedom from the Spirit of Anger* explains why ALL of man’s anger is wrong.
Running time: 59 min.

Title 4 of 10 in the Anger Series

WHAT IMPATIENCE DOES

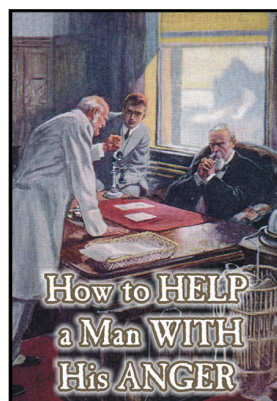

Like the servant in Matthew 18, all of us want God to be patient with us, but we don’t always want to extend patience to others. Impatience and anger are sister sins, with one leading quickly to the other. Impatience demonstrates a lack of true love while cutting you off from the blessings of patience. Here are seven key steps to develop patience.
Running time: 63 min.

Title 5 of 10 in the Anger Series

UNDERSTANDING SCORN & MOCKERY

Mockery, like anger, is a powerful yet negative emotional force. It was used in the Bible mostly by a proud person who was trying to hinder the work or truth of God. Mockery was an attempt to get people to follow their emotions. Jesus continually faced mockery. Before raising a girl from the dead, “they laughed Him to scorn.” As a result He, “put them all out”—causing them to miss the greatest opportunity of their lives!
Running time: 66 min.

Title 6 of 10 in the Anger Series

HOW TO HELP A MAN WITH HIS ANGER

A wife asked, “What can I do to help my husband with his anger?” A son asked, “How should I respond when my Dad gets angry?” This DVD expounds on: understanding things you don’t understand; dealing with your own anger; deflecting anger; not delivering an angry man from the consequences of his anger; using emotional word pictures; seeking for patience; and using spiritual weapons to defeat carnal weapons.
Running time: 54 min.

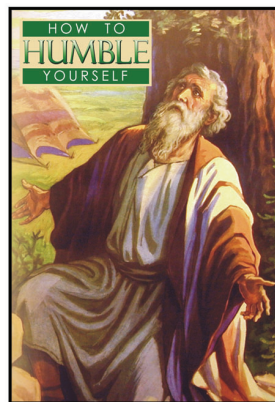

Title 7 of 10 in the Anger Series

THE HIGH COST OF ANGER

Proverbs 19:19 tells how people who live with an angry person are often "delivering" that person. Anger costs: 1.) The time of others to deal with *your* problem; 2.) The loss of your testimony—destroyed by the foolish things you do and the mean things you do; 3.) The loss of relationships with the people you love, which is your greatest earthly treasure.

Running time: 53 min.

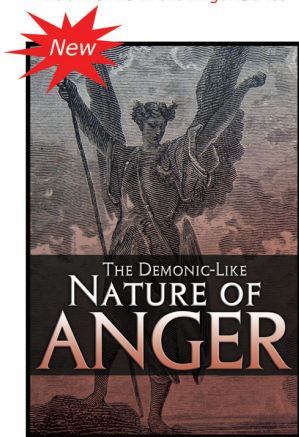

Title 8 of 10 in the Anger Series

HOW TO HUMBLE YOURSELF

Humility is the foundation for all other character qualities. Christians need to actively seek to humble themselves so God doesn't have to. Those humbled by God often end up humiliated. To humble yourself: Pass praise to God and others; Serve others instead of trying to impress them; Confess and ask forgiveness for your sins and faults; Bless those that curse you; Welcome correction, criticism and put downs; Remember your own mortality; Make humility a lifelong quest.

Running time: 66 min.

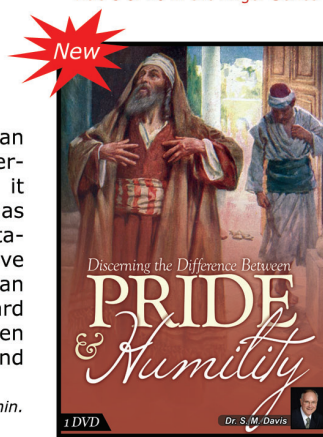

Title 9 of 10 in the Anger Series

THE DEMONIC-LIKE NATURE OF ANGER

Since anger is an area where Satan gets control, then we can understand anger better by comparing it to another area where Satan has control. A key area in the New Testament where Satan was seen to have control was in relation to unclean spirits. Here are four downward steps into anger bondage and ten comparisons between anger and unclean spirits.

Running time: 58 min.

Title 10 of 10 in the Anger Series

DISCERNING THE DIFFERENCE BETWEEN PRIDE & HUMILITY

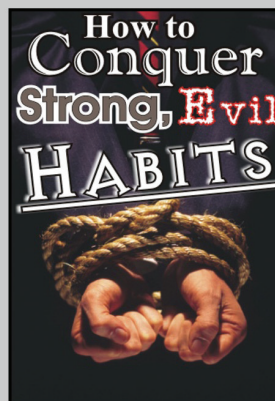

In the Bible, some of the most terrible consequences are given for the sin of pride, and some of the greatest blessings are promised for humility. Pride is deceitful and elusive and shows up in all sorts of unexpected ways. There are some areas of stark contrast between pride and humility. A humble person craves godly counsel and correction, cancels contention by yielding rights and quickly confesses wrong.

HOW TO CONQUER STRONG, EVIL HABITS

We are all creatures of habit. Good habits are wonderful things. But there is NOTHING of this world as enslaving as bad habits. Many (even Christians) find themselves trapped in a vicious, guilt-filled cycle that goes round and round, each time creating deeper ruts in their soul. The question prisoners of habit ask is, "How can I conquer this strong, evil habit?" Here are 10 principles that can truly give you freedom!

Running time: 59 min.

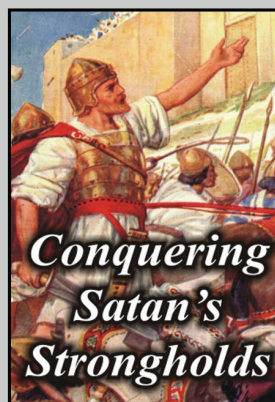

Title 2 of 3 in Bad Habits Collection

THE NECESSITY OF REPLACING EVIL WITH GOOD

It's not possible to simply get rid of evil. It is essential that you replace evil with good. Sometimes parents see the evil in the world and decide they must keep their child from that evil. So they take away all the bad and leave their child's life "empty, swept and garnished." What they don't realize is that there is more evil waiting to come into the vacuum than was ever there before!

Running time: 61 min.

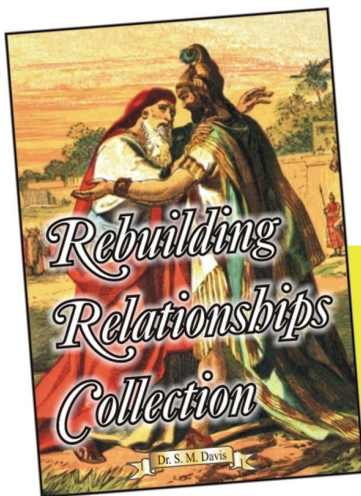

Title 3 of 3 in Bad Habits Collection

CONQUERING SATAN'S STRONGHOLDS

Satan and his demons don't simply float around. They look for a place to live. Christians are commanded to not "give place to the devil." When Satan gets a "place" in a life, he usually does it without the person even knowing it! He doesn't come in because you invite him; he slips in the back door. This DVD shows how Satan can take a little ground and turn it into a stronghold! It also demonstrates the hope of deliverance.

WHAT BITTERNESS DOES (AND HOW TO CONQUER IT)

Have you ever been deeply hurt by someone who never made things right with you? Bitterness is a possibility for anyone. It is highly contagious. It is destructive. It stops spiritual growth and begins spiritual decline. It robs a Christian of his fruitfulness. It also blinds the bitter person to its presence and power.

UNDERSTANDING HOW HOMES RELATE TO EACH OTHER AND THE CHURCH

One of the key reasons for conflicts among different families as well as between families and churches is that people do not understand the jurisdictional lines between the "houses" God created. Just like the government is not to cross over the line into homes, so homes or churches should not cross over the line into other homes or churches.

REPAIRING REALLY ROTTEN RELATIONSHIPS

Rotten relationships do not always have to remain that way! Certainly there are times when all you can do is make sure your heart is right with the other person because their heart is never going to be right with you. But that is not always the case. The most strained relationship of your life may have the potential of developing into the most special relationship of your life if you would be willing to work on it.

BREAKING FAMILY CURSES

In different areas of life, people are blessed and do well because of Godly family influences. In other areas they struggle because of evil family influences. Chains of bitterness, dishonesty, selfishness, pride, divorce, immorality, laziness, or rebellion pass down from grandfather to father to son to grandson, etc. Loyalty, faithfulness, kindness, honesty, joy, character, etc. also pass down!

NOTHING SHALL OFFEND THEM

A key verse every Christian should engraft into his life is Psalm 119:165: "Great peace have they which love thy law, and nothing shall offend them." The Bible and human life are full of stories of people who became offended or took up someone else's offense. True to the meaning of the word "offense," which is "stumbling block," those who become offended often stumble and fall or cause others to do so.

WHEN FORGIVENESS WON'T WORK

Most Christians do not realize that forgiveness has two sides. The first side is that of the "forgiver." Christians must forgive fully, freely, and forever. The second side is the side of the one being forgiven. To be offered forgiveness is one thing. To be able to receive the forgiveness offered is something else. Even though forgiveness is offered, FORGIVENESS WON'T WORK unless the one who has done the wrong is truly repentant.

HOW TO TELL TRUE REPENTANCE

A common response when a person is first confronted with sin is defensiveness and lying. One of the worst things that can happen at that point is for him to find someone who will give him sympathy. Only true repentance provides a foundation upon which a life can be rebuilt after there have been broken dreams, hopes, and lives. Repentance does not stop all of sin's consequences, but it can cut down on the reaping of some of them.

HOW TO REBUILD BROKEN TRUST

No matter what I do, my parents will never trust me again!" "Pastor, I want to forgive my husband, but how can I ever trust him again?" "Isn't trust the foundation of a relationship? How can we let our runaway daughter come back home if we can't trust her?" Trust is like a beautiful vase that has been shattered into a thousand pieces. Learn here how God puts it back together.

DIG ANOTHER WELL

The person who "gives in" rather than demanding his rights is usually thought of as being the weaker person. In reality, the more spiritually mature person will usually be the one who yields his rights. The man who "wins" when his personal rights have been violated is really the "loser." The committed Christian should always ask, "Is this for me and my rights or for God and His rights?" Defend God's rights. Yield yours!

ARE YOU A GIVER OR A TAKER?

Of the ten lepers that were healed by Jesus, only one of them gave thanks. Why? They had spent their lives as takers and knew nothing else. Haman had virtually unlimited power, money and possessions, yet he was unhappy because he couldn't have one other thing that he had desired. He wound up hanging from his own gallows. HOW TO TREAT A WOUNDED SPIRIT

When Proverbs 18:14 says that "a wounded spirit who can bear" it does not mean there is no way to treat the problem. That same dagger-like tongue used to cut, burn and pierce can also be used to bring about healing. It is possible to treat your wounded spirit by giving yourself spiritual first aid. KEY CHARACTER QUALITIES OF A GODLY MAN

Only as a husband and father follows God's plan and manifests the key qualities of a Godly man does he create a sense of security for his wife and children—willing and ready to wage spiritual warfare on the behalf of his family. HOW RIGHT PRIORITIES PREVENT OR SOLVE PROBLEMS

"What is a top priority for man—job (ministry) or family?" Far too many men, including pastors, have lost their families answering this flawed, deceptive and misleading question. A better question to ask instead is, "Who is a man's top priority as far as relationships are concerned?" The Biblical answer to this provides a firm foundation for all ministries given to man. When not answered Biblically, devastating consequences may be the result. Running time: 59 min.

STRATEGY FOR VICTORY IN SPIRITUAL WARFARE

January 17, 1781, in a place called The Cowpens, SC, there was a battle that literally turned the course of history. In many ways, it's the ideal illustration of proper strategy for spiritual warfare. The Christian must know and wisely use his weapons and know the carnal things that aren't to be used as weapons. They should know their enemy and their enemy's strategy. And, of great importance, he must know when to run, attack and when to stand.

TEN STEPS TO VICTORY OVER LUST

The typical male attitude on lust is, "We're surrounded with images that stir up lust with nothing we can do about it. Everyone lusts. Accept and enjoy it, just don't let people know." Such thinking overlooks the serious repercussions that Samson, David, and others faced due to their lust. It destroyed Samson's ability to reason clearly. GOD'S WAY TO DEAL WITH YOUR WRONG EMOTIONS

The example of great men and women of the Bible who experienced victory was that they would not allow their emotions to take precedence over their mind and will. When a Christian learns to have the mind of Christ and puts that mind in charge of his will, then emotions can be a blessing instead of a burden. It is also then possible to live life normally instead of like one is on a wild roller coaster ride.

The most important clothing for the Christian is not the clothing of the body; it is the clothing of the soul. The Bible gives at least five types of clothing for the soul. THE KINGDOM OF YOUR INFLUENCE

Interestingly, the word “influence” as we use it is not even found in the Scriptures. The word God uses is “rule.” A person’s influence, then, is the kingdom over which he rules. We should also plan our lives so as to continue our influence after we are gone.

HOW TO USE ACCEPTANCE TO BUILD OTHERS

Every person’s life is affected by the powerful forces of rejection and acceptance. The harshest language possible from the soul of one person to the soul of another is the language of rejection. Christians who reject others usually do so because they haven’t learned to distinguish between acceptance and approval. This message is especially important for parents with rebellious adult children.

HOW TO HELP WEAK CHILDREN BECOME STRONG

Wise parents must discern about their children and their children’s friends - who is strong, who is weak, who is backslidden, and who is lost. The strong may spend time with the others, but the weak can only be with others when someone strong is also present. This DVD not only encourages the strong to support the weak, but also gives the secret to becoming strong.

THE SIN OF SILENCE

The Sin of Silence is committed anytime you know a truth that will set someone free and you don’t tell it. Almost any time a child gets in trouble it happens because the parent did not know something going on in his child’s life that he needed to know. True friends will not cover up for friends who do wrong. Truth that will free others from bondage must be told.

This message will solve many problems before they can start if families will watch it once every 6 months.

ACCOUNTABILITY: MISSING INGREDIENT FOR SPIRITUAL VICTORY

The key reason many Christians are not able to live in Spiritual Victory is because they have never established accountability relationships in their lives. WHAT TO EXPECT FROM A 12 YEAR OLD

The reason parents have problems with some teens is because those teens have a deficiency in their earlier character development. PERSONAL RESPONSIBILITY

One of the most powerful forces in human life is that of influence. But Personal Responsibility supercedes influence! *“You and I are right now what we are because that is what we have chosen to be.”* Each person is ultimately responsible to God for his thoughts, actions, honesty, worship, morality, & eternal destiny. This is a key message for anyone blaming others for his difficulties so that he is able to get help by accepting responsibility for his own life.

REMEMBER NOW THY CREATOR

Amazingly, the Bible only refers specifically to God as Creator about 5 times, with one of those times being addressed directly to young people. Dr. Davis reverted to a very active “Camp Meeting Style” of preaching that young people really enjoy!

GOD'S 7 PURPOSES FOR AUTHORITY

We typically don’t see authority like God sees authority. One key definition of faith is that it is the wisdom to see that God works through the authorities He has placed over our lives and the decision to trust Him to do so. SINNING AGAINST GREAT LIGHT

There are many blessings that God gives to each person, but the greatest blessing of all of human life is spiritual light. God gives some measure of spiritual light to every person who has ever lived. If they respond to that light, then He gives more light. If they reject that light, they move into darkness. The privileges and opportunities of great light are also a great responsibility. For someone to experience great light and then walk away from it is one of the most dangerous things a person can do.

HOW TO DEVELOP CHARACTER IN YOUR CHILDREN

Jesus was called the “express image” of God in Hebrews 1:3. The Greek word for “express image” is “character.” Jesus had the mark or character of the Father on Him. HARD WORK: THE FOUNDATION OF CHARACTER

The first occurrence of the word “work” in the Bible was not in relation to man, but was in relation to God Himself. Work is godly because God is the original worker. Laziness is ungodly. Work is foundational because God began everything by working. The very first thing God did for Adam was give him work to do. To get Adam ready for Eve God gave him more work to do. So a man who is not a hard worker is not ready to get married!

5 REASONS WHY I AM NOT A 5-POINT CALVINIST

Many Scriptures clearly emphasize that Jesus died for everyone, that God calls and draws everyone to Himself, and that the reason people are not saved is not that God is not willing, but that men refuse to come to Christ. BORN THAT WAY AFTER ALL

\$15

Dr. Davis holds up this book by his friend Pastor Johnny Nixon and describes it like this:

"I am not a heterosexual and neither are you. I am not a homosexual and neither are you. Those terms were created by a sexual deviant by the name of Karl-Maria Kertbeny in 1869. If I can create my own terms and then define them like I want them defined, then I can win any debate. The truth is too simple:

Everyone is either a male or female. (Genesis 1:27) And Jesus said in Matthew 19:12, "For there are some eunuchs, which were so born from their mother's womb:"

You will never forget hearing Sam say, "That's it! I'm not Gay! I'm a eunuch!"

Here is the MISSING PIECE of the puzzle in the "Gay Marriage" debate and also the solution to the problem of gender confusion in many people!

"The best book I have read detailing answers about same sex attraction." - Michael

"There is hope, and this book has the answer you've been searching for. You will want to get several copies of this one to give away." - Mark A.

There really is NOTHING ELSE LIKE THIS IN EXISTENCE!

Picture Proverbs is the narration of the entire book of Proverbs (KJV) while verse by verse graphics appear on the screen with a picture that corresponds with the verse. Over 1,000 different pictures are used, including OVER 600 DIFFERENT BIBLE PICTURES!

Not only are you and your children completely immersed in the book of Proverbs, you also will see virtually every major story in the Bible and many lesser known stories! With the picture and reference on the screen, we encourage you to ask the question, "Why is that picture with that verse?" then pause the DVD and turn and read the Bible Story.

**HOW TO GET OR
GIVE WISE COUNSEL**

(The one key message God gave Dr. Davis in the year it took to create Picture Proverbs)

"Your Proverbs DVDs are the best representations of God's Word I have ever seen. Personally I haven't seen anything like them! My husband and I bought them in December and have watched them with our children every morning! It provokes a lot of discussion! In January we had a house fire and one of the first things we wanted to make sure made it thru the fire was our Bibles and the Proverbs DVDs!"

"Picture Proverbs has been a tremendous help and blessing to our family! Our girls have really grown knowledge of God's Word through these. Also, the pictures that go with each verse are tremendous! Another whole lesson in itself!"

Please DO NOT simply watch *Picture Proverbs* once and then put it away on the shelf.

- Every day watch the chapter that matches the day of the month.
- Pause the DVD at least once and ask, "Why is that picture with that verse?"
